

a weekend of
REFRESHING & RENEWAL

Join women of faith for a powerful weekend of worship, teaching and fellowship!

**Indian Springs Ladies' Fellowship
HOLY HEART Spring Retreat 2017:
"Living by God's Design"**

God's design for us has its roots in the very nature of God Himself. We must be used exclusively for His purpose and His design and not be contradictory to His moral character. We are to emulate the fruits of the Spirit: love, joy, peace, longsuffering, kindness, faithfulness, gentleness and self-control.

God expects all of us who bear His name to display holy characteristics and by doing so, reflect Him to those around us. In this, we participate with Him, "In Him and each other to reach a world for Jesus."

Join us for fellowship and friendship during this two-day retreat! Be blessed by meeting like-minded women, learning important scriptural principles and renewing your hearts and minds! Register today!

The Ladies' Fellowship is an association of Indian Springs Holiness Camp Meeting in Flovilla, Georgia. Founded in 1911, the fellowship began as a hospitality and beautification arm of the Wesleyan-Arminian campmeeting. Today it serves as outreach to women who are involved with the campmeeting that meets every summer. The fellowship also hosts a "Holy Heart Event" on the campground which is the annual spring retreat emphasizing holiness, discipleship, prayer and missions.
