

## INDIAN SPRINGS HOLINESS CAMP MEETING

P.O. Box 1742 Mableton, GA 30126 • [IndianSpringsCampMeeting.org](http://IndianSpringsCampMeeting.org)

Dear Camp Family,

February 28, 2020

For 130 years Indian Springs Holiness Campmeeting has been a place of spiritual reflection and renewal...a place to gather with family and friends and come away from the pressures of the world. When you attend campmeeting, you are certain to hear the word of God presented in fresh and challenging ways. You will leave the campground renewed in your spirit.

You have made campmeeting possible with your generous giving over the years.

Today we are facing great financial challenges. We are not just maintaining what the Lord has given us; we are trying to build and expand our facilities and infrastructure so Indian Springs will continue for future generations.

The Board of Trustees has several urgent needs to prepare for our upcoming encampment. These repairs are not just maintenance needs, but improvements that will expand our camp and allow more people to attend.

Here's where you come into the picture...

Your contribution this month will help us with a long list of repairs and upgrades that are essential to the safe and healthy functioning of the camp.

Our beloved tabernacle needs at least **\$2,000** for drainage, curbing and rafter repairs.

Our sewage system is old, and we are constantly repairing it. Right now, we need **\$3,000** to make three critical repairs.

We must expand the RV park to accommodate more campers. Our park is bursting at the seams and more water lines are needed. These improvements will cost approximately **\$5,000**.

We need street and drainage repairs across the entire camp that could easily cost **\$40,000**.

We need to do these things just to prepare for our 2020 camp. As you can see, the needs are significant. But together we can accomplish great things.

Would you consider a special donation of \$100, \$500 or even \$1,000 to make the needed repairs and get the grounds ready for our 2020 camp? The Board of Trustees and I thank you for your past support. We urge you to pray about this opportunity and respond as the Lord leads.

Blessings,

J. Kevin Thompson, CPA
